

RAYALASEEMA UNIVERSITY
KURNOOL

ABOUT THE UNIVERSITY

Rayalaseema University came into existence in the year 2008, by Act No. 29 of 2008 enacted by the Legislature of the State of Andhra Pradesh. The Establishment of Rayalaseema University is part of the vision of Government of Andhra Pradesh to promote access, equity, and inclusiveness in Higher Education. The Postgraduate Centre at Kurnool was started by Sri Venkateswara University in 1977. The University established the Postgraduate Centre with five courses in Economics, Operations Research and Statistical Quality, Physics, Chemistry and Telugu. In 1993 the affiliation of the Centre was transferred to Sri Krishnadevaraya University. Courses in Computer Science, Management, and Mathematics were started in the year 2000 and courses in Botany, Organic Chemistry, and Zoology were started in the year 2006. With the establishment of Rayalaseema University, M.A in English and M.Ed courses were started in the academic year 2008-09 and M.Sc in Biotechnology in the academic year 2009-10. M.Com and M.Sc in Electronics and Communications were started in 2012 -13. M.Sc (Data Science) was started in 2016 -17.

ABOUT THE DEPARTMENT

The Computer Science Department was established in the year 2000 and currently offers MCA, M.Sc(Computer Science) and M.Sc(Data Science) programs. Highly dedicated and well qualified team of faculty members in the Department having considerable academic and research experience are striving their best to provide quality education. The expertise of the faculty members includes Software Engineering, Data Mining, Cloud Computing, Big Data Analytics, Machine Learning, Networks & all frontier areas. The Department focuses in motivating their students towards leadership, to think in a creative and innovative way so that they can stay ahead and face the challenges and competitions that lay ahead in the global market.

ABOUT THE WORKSHOP

OBJECTIVE

The workshop is intended to provide opportunity to the participants to upgrade their knowledge in recent advances in cloud computing. The workshop will cover technologies for building cloud applications, the opportunities and challenges in cloud for the researchers.

Cloud Computing is viewed as a Next Revolution / Big Switch in IT and the industry is rapidly shifting its focus from developing applications for PCs to Data Centers and Clouds that enable millions of users make use of software simultaneously. Several IT vendors are promising to offer storage, application and computation hosting services, and provide coverage in several continents, offering Service Level Agreements (SLA) backed performance and uptime promises for their services. Customers are charged based on their utilization of computational resources, storage and transfer of data.

RESOURCE PERSONS

IIHT, Visakhapatnam

Indian Institute of Hardware Technology Ltd., is amongst Asia's top IT training organizations, headquartered in Bangalore, India. The people at IIHT are deeply committed to learning and improving while dealing with specific needs or divergent applications as the occasion demands.

IIHT is a premier training organization with focus on IT training and offers its services to individuals, Corporate and education institutions across the country, offering high quality and cost-effective professional training. IIHT has partnered with organizations like **Microsoft, IBM, Cisco, Symantec, CompTIA, HP, EMC2** and others and provides knowledge the latest technological advancements of its partners. This has resulted in a substantial increase in the student base for IIHT.

**Two-Day workshop on
“Cloud Computing”
(09th– 10th Oct 2017)
Rayalaseema University: Kurnool**

REGISTRATION FORM

I. Name : _____

2. Designation : _____

3. Qualification : _____

4. Organization : _____

5. Address for communication: _____

6. E-mail: _____

Place: _____ Signature of the Applicant

Date: _____

ENVISAGED COVERAGE

- ❖ Cloud computing introduction
- ❖ Virtualization Tools
- ❖ Installing VMware Components
- ❖ Configuring and Managing Virtual Storage
- ❖ Virtual Machine Management

PARTICIPANTS

The workshop is for Faculty, Research Scholars, students and industry professionals, who are interested in Cloud Computing.

REGISTRATION FEE

For Faculty /Research Scholars/ students: Rs 500/-
Registration for participating in the workshop may be done by sending the application form in this brochure along with a registration fee.

No TA/DA will be paid. Participants are requested to look after their own accommodation. Working lunch will be provided.

IMPORTANT DATES

05-10-2017 Last Date for Submission of Application

07-10-2017 Intimation of selection to participants

ADDRESS FOR COMMUNICATION

Mrs.I .V.Vijaya Lakshmi
Assistant Professor
Dept. Of Computer Science
Rayalaseema University
Phone: 9848072459
Email: vijjish@gmail.com

ORGANIZING COMMITTEE

Chief Patron

Prof. Y. Narasimhulu
Vice Chancellor
Rayalaseema University
Kurnool – 518007

Patron

Prof.K.Srinivasa Rao
Principal
Rayalaseema University
Kurnool – 518007

Coordinator

Mrs.I .V.Vijaya Lakshmi
Assistant Professor
Dept. Of Computer Science
Rayalaseema University
Kurnool – 518007

Organizing Members

Dr.G.Ravi kumar, Assistant Professor

Dr.K.Nagamani, Assistant Professor

Mrs.M.Rajeswari, Assistant Professor

Mr.M.Vijay kumar, Assistant Professor

Venue

Department of Computer Science
Academic Building – II
Rayalaseema University
KURNOOL -518007

Two-Day Workshop on “Cloud Computing”

09th – 10th October 2017

Jointly organized by

Indian Institute of Hardware Technology

Ltd., Visakhapatnam

and

Department of Computer Science

Rayalaseema University, Kurnool
